

# Rules and procedures for the Freeskate Video Contest of the Online-skating.com association

## THEME: URBAN FREESKATE

### FREESKATE

The theme of the video contest is 'Urban Freeskate'. Freeskating is a free practice oriented towards city skating with or without acrobatics. The skater uses the configuration of the urban furniture, avoiding or playing with obstacles. The video should convey the smoothness of skating as well as the skater's enjoyment.

**Key word:** The video should make the viewer feel like going skating!

### TYPES OF SKATES ALLOWED

The contest is open to inline and quad skates, whether you are a hockey players, fitness or speed skater...

**Warning:** The aim is not to make an umpteenth aggressive skating video with slides on rails and walls, but to make a freeskate video about urban skating.  
Images with cigarettes, alcohol or drugs are forbidden.

### MINIMUM LEVEL TO TAKE PART

No need to be a freeskate expert. The contest is open to all, men and women, whether you are a leisure, expert or hardened skater. No matter what nationality you are, the contest is open to all countries.
